

Lao-Thai-German Trilateral Cooperation "Support to Financial Audit for the State Audit Organization of Lao PDR"

Project Activities

Through a needs
assessment, the Thai
SAO experts will
understand more
about the legal
framework of auditing
in SAO Laos, existing
materials and audit
procedures.

Thai experts and Lao instructors will work together in designing new training modules and courseware.

Staff of the Training Centre will attend a secondment program at SAO Thailand to learn more about training centre management, for further improving their services.

Capacity Building for SAO Laos financial audit instructors through "Training of Trainers" (ToT) course to learn basic training skills.

Experts from
Thailand and Lao
instructors will
deliver the training
modules together as
pilot to 30 financial
auditors from SAO
Laos
