

Advisor, Monitoring and Evaluation – GIZ African Union Team Europe Initiative on Sustainable Health Security using a One Health Approach

Place of Assignment:	Addis Ababa, Ethiopia
Initial Contract Period:	March 2024 –December 2025
Application Deadline:	20 January 2024

About GIZ

The [Deutsche Gesellschaft für Internationale Zusammenarbeit \(GIZ\) GmbH](#) is a global service provider in the field of international cooperation for sustainable development dedicated to shaping a future worth living around the world. As a public-benefit federal enterprise, GIZ supports the German Government – in particular the Federal Ministry for Economic Cooperation and Development (BMZ) – and many public and private sector clients in achieving their objectives in international cooperation in around 120 countries.

Since 2004, GIZ has been a reliable and trusted partner of the African Union (AU) to enhance inclusive growth and sustainable development on the African continent in line with the AU's [Agenda 2063: The Africa We Want](#). With more than 200 staff, [GIZ African Union](#) cooperates with the AU Commission, as well as the AU's specialised institutions and agencies, such as the Development Agency AUDA-NEPAD, at continental, regional and national level in more than 35 member states. Key areas of engagement include Peacebuilding and Conflict Prevention, Governance and Migration, Sustainable Economic Growth and Employment, as well as Health and Social Development.

The Team Europe Initiative on Sustainable Health Security using a One Health approach (TEI HSOH), which aims to sustainably strengthen the African architecture for health security, will be a collaboration between the European Commission, African Union / Africa CDC and other African partners, and European member states. To strengthen and coordinate partners' actions, it is planned to establish a Support Unit (SU), functioning as a secretariat for the TEI HSOH, to be based in Addis Ababa. Since the SU is just being established, the tasks below should be considered indicative and may be adapted subject to need. The SU will be jointly staffed by Expertise France (EF) and GIZ colleagues. Day to day supervision will be from the coordinator (recruited by EF) and the formal line management from GIZ.

Core Responsibility

In your role as **Advisor, Monitoring and Evaluation**, you provide support to the TEI HSOH Support Unit (SU) in the design and implementation of monitoring, quality, and knowledge management within the TEI HSOH and ensure learning from other TEIs

Where appropriate and reasonable, you perform further tasks assigned to you by your line manager outside the scope of the job description.

This position is assigned to GIZ salary band 4.

Main Tasks

- Coherent process control of results monitoring in coordination with the technical advisors and implementers
- Monitor progress and ensuring effective collection and analyses of results
- Provide technical advice to the TEI partners on monitoring, evaluation, learning and knowledge management
- Participate in planning and reporting on TEI HSOH activities
- Support the establishment of an efficient and integrated monitoring and evaluation process
- With the Coordinator contribute to the process of capitalising and improving methods, tools and practices in terms of TEI monitoring and evaluation
- Support and collaborate with the other members of the SU and carry out other tasks in support of the SU operation as needed

Qualifications

- University Degree (Master's Degree or higher) in Social Sciences or other relevant field of International Cooperation
- Relevant Degree (Master's Degree or equivalent) or work experience in one of One Health's key areas (Medicine, Veterinary Medicine, Health Sciences, Environmental Sciences, Global / Public Health)
- At least 7 years of professional experience in Monitoring and Evaluation of international projects, project management, communications, or organisational development
- Experience in the application of quantitative and qualitative methods of data collection and analysis
- Methodological, consulting and cooperation skills
- High customer and solution orientation as well as very good networking skills and intercultural competence, partnership experience, team working, working independently
- Experience of international cooperation in an African context desirable
- Fluency in English is essential; knowledge of French and German in addition would be a distinct advantage
- Willingness to undertake business travel as required

Application Procedure

The application should include

- a motivational letter / letter of application,
- a recent CV, including at least two referee contacts.

Applications should be submitted via email to hr_au@giz.de with the subject line “**Advisor, Monitoring and Evaluation – Team Europe Initiative on Sustainable Health Security using a One Health Approach – Your Full Name**”.

Closing date for applications: **20 January 2024 midnight EAT.**

Only short-listed candidates will be contacted.
